

## Clubs New Zealand Utility Scheme for Member Clubs

Tiger Technology Ltd with Raben Enterprises NZ Ltd has been commissioned on behalf of Clubs New Zealand to put in place a Utility Scheme to help all Member Clubs to reduce their monthly Electricity and Gas costs.

This is a New Zealand wide Clubs New Zealand Utility Scheme designed to cut the Electricity and Gas costs for all Clubs New Zealand Member Clubs so collectively you will all share in the buying power as one.

In order for your club to get a Clubs New Zealand Electricity and Gas quote please complete the following form:
